PROFESSIONAL SUMMARY

Results-driven Social Media Manager with hands-on experience driving community growth and brand visibility across Web3 ecosystems including GameFi, DeFi, and AI projects. Skilled in crafting engaging content, managing social media campaigns, and building active communities on X (Twitter), Discord, and Telegram. Experienced in writing, scheduling, and promoting content, coordinating with teams, and gathering community feedback to strengthen communication and engagement. Passionate about leveraging AI-assisted workflows and data-informed strategies to grow brands and deliver measurable impact.

PROFESSIONAL EXPERIENCE

- **Community Manager & Social Media Manager**
Pecunity (formerly OctoDeFi)
 - Managed social media communications on X while overseeing community operations on Discord and Telegram.
 - Created and published engaging content, announcements, and skills to increase community participation before and after the PEC launch.
 - Wrote key announcements and coordinated content with the team to ensure consistent messaging across platforms.
 - Supported rebranding from OctoDeFi to Pecunity through strategic community messaging and engagement initiatives.
 - Collaborated with remote teams to drive awareness, grow the community, and support product adoption.

Jun 2025 – Dec 2025
Remote
- **Campaign Manager**
Pecunity
 - Managed the September Zealy campaign with a \$1,000 reward pool.
 - Designed campaign structure, task flow, and reward distribution.
 - Coordinated with the team to ensure smooth execution and participant engagement.
 - Promoted the campaign across X, Discord, and Telegram to maximize participation.

Sept 2025
Remote
- **Social Media & Community Lead**
Kiooverse
 - Responsible for end-to-end social media strategy and community growth.
 - Write tweets, schedule posts, and plan content across X, Discord, and Telegram.
 - Create and edit graphics, coordinate with designers, and ensure brand consistency.
 - Designed 2-week Early Access launch strategy for Kiooon Origins with daily announcements and engagement plan.
 - Review community feedback and insights to improve communication and content.

Mar 2026 – Present
